# THANK YOU FOR YOUR SUPPORT

The last 12 months has been very challenging for everyone as the world deals with the Coronavirus pandemic. Many families locally and globally have been effected, and so many have lost loved ones. Riders of Shaam, for many years have been supporting various charities to support those in need, and the current Coronavirus pandemic did not effect the fundraising efforts of the ROS team. Unfortunately the planned ride from Paris to Geneva couldn't go ahead, however the ROS team still raised funds to support numerous projects around the world.

In the last 12 months, ROS have supported projects in Syria, Yemen, Malawi, Gaza, India and Burma.

This report will outline the amazing projects that ROS have supported and how the funds they have raised have benefited those in need.

We would like to take this opportunity to thank the entire ROS team, for their amazing dedication and hard work to support those in need.

We pray that Allah accepts all their efforts and grants immense barakah in all their endeavours.  
Ameen
