		<b>FEEDBACK RECIEVED</b>		<b>£35,400</b>	
	<b>OUTSTANDING</b>				
	DONATIONS SENT AWAITING FEEDBACK	MEDICAL AID		£6000	
	DONATIONS SENT AWAITING FEEDBACK	ORPHANS HOMES		£20,000	
		<b>TOTAL</b>		<b>£61,400</b>	

## Background:

Since the violence erupted in 2011 the conflict in Syria has been described as the “largest humanitarian catastrophe of the 21<sup>st</sup> century”. In Syria, most internally displaced people are living in make-shift tents or empty concrete derelict buildings.

For so many Syrians the living conditions are unbearable and they are dependent on hand outs.

## How Riders of Shaam Helped:

On behalf of Riders of Shaam, the One Nation team distributed 100 tons of bread which has helped to feed over 120,000 families . Baby milk and food was distributed in the Athmeh refugee camps which helped over 400 families. A water pump was built in Eastern Ghouta which will provide fresh clean water to the besieged people. Your donations helped us to purchase medical equipment which will help us build our neuro centre in Idlib. Your donations have also been sent for One Nation to build a purpose built widows and orphans complex in Syria which will be completed by the end of 2017.

*Your donations and continued support has helped **Thousands of people** Inside Syria and has really made a huge difference!*

One Nation received a total amount of £61,400 from Riders of Shaam. The funds were spent according to your instructions keeping Zakat, Sadaqah and lillah recipients in mind.

We would like to thank everyone involved at Riders of Shaam for their support in assisting the poor and needy.
